

## **Memorial/Honorarium Gifts**

Memorial and Honorarium gifts to LSC are always welcome and provide a generous remembrance of family and friends.

Donors wishing to attribute gifts as memorials or honorariums should do so using the Donation Form, available at [INSERT LINK]. When the gift is tied to a specific objective, LSC will direct these gifts for the purpose of achieving the objective and send a memorial/honorarium card/acknowledgment to the person specified by the donor notifying him/her of the donor's gift. LSC will maintain records of these gifts. Memorial and Honorarium gifts that are not designated for a specific objective will be processed according to the policies and procedures of LSC.
