Re: Program Quality Visit to Legal Aid Services of Oklahoma Inc.
Program No. 737066

Dear Ms. LaBella,

I have read the draft report in detail. The report certainly reflects the hard work of your team. I also believe that it captures the status quo for LASO and lays out the challenges that are before LASO. Rather than add to the effort and report on what LASO has done since the exit interview, I am going to use your team's analysis as my guide. I accept the draft as written and look forward to receipt of your final analysis.

Thank you for your continued support.

Sincerely,

Michael G. Figgins, Esq.
