General Counsel's Certification
Regarding Closure of the
Institutional Advancement Committee Meeting
on
October 20, 2013

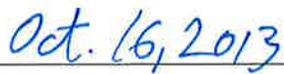

On October 17, 2013, the Board of Directors ("Board") of the Legal Services Corporation ("LSC" or "Corporation") voted to authorize closure of a portion of the Institutional Advancement Committee meeting scheduled for October 20, 2013.

The Institutional Advancement Committee has publicly announced that at its closed session, it will discuss prospective funders for LSC's 40th anniversary celebration and development activities and prospective members for LSC's 40th anniversary committees. I understand that the Institutional Advancement Committee Chairman expects the Committee will discuss names, personal information, and potential giving levels of specific individuals who are being recommended to the Board for approval as prospective funders or who have already been approved as prospective funders. Moreover, the Committee is expected to discuss names, personal information, and qualifications of prospective members for LSC's 40th anniversary Campaign Cabinet and Honorary Committee. I hereby certify that, in my opinion, the closing of the October 20, 2013 Committee meeting for these purposes is authorized by the relevant provision of the Government in the Sunshine Act ("Sunshine Act"), 5 U.S.C. § 552b(c)(6) (authorizing the closure of a meeting and withholding personal information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy), and the corresponding provision of the Corporation's implementing regulation, 45 C.F.R. § 1622.5(e).

When made in advance of a meeting, the Corporation's determination must of necessity be an estimate of what is likely to transpire at the meeting. If the determination has been made that it is more likely than not that exempt matters will be discussed at the closed portion of the meeting, then there has been a sufficient showing that the exemptions apply. If, however, the discussions that actually occur extend beyond applicable exemptions, then those portions of the verbatim transcript of the session must be made public. Barring any unforeseen delays, the transcripts will be reviewed upon receipt and the necessary determination made within thirty (30) days of the Committee meeting.
